

## Welcome to The Desert Island Juke Box

A dream list of music you can't live without, do without, be without...the soundtrack that haunts your life. When hearing music that sticks in your head, Warren, our Aural Evaluator at Audio Research, responds most positively to songs with a melodically and lyrically inventive stamp that is emotionally charged, timeless and classy. Not so much trendy, gimmicky stuff. When such a song comes on the radio or anywhere you hear it, it always invites a rush of memories over the years you've heard it and you pause and pay attention because you just have to. Great music will always haunt you in a good way.

Everyone is invited to contribute a list of their own personal favorite songs by musical genre.
